RE: Mobile Food Establishment Local Licensing Reciprocity Report

To Whom It May Concern:

Pursuant to Neb. Rev. Stat. § 18-2,279, the City of Beatrice provides the following information regarding the Mobile Food Establishment Local Licensing Reciprocity Report:

The City of Beatrice does not have any reciprocity agreement(s) with any surrounding communities due to the following impediments:

1. The surrounding communities are much smaller than Beatrice, and do not regulate Mobile Food Establishments; and
2. Lincoln is the largest city near Beatrice that regulates Mobile Food Establishments, and the needs of our community are vastly different – Beatrice has a population of approximately 12,000 and Lincoln has a population of approximately 300,000.

Please feel free to reach out to me at the phone number below if you have any additional questions or concerns.

Sincerely,
