National Agriculture Day

Did You Know?

- Nebraska agriculture contributes nearly \$12 billion to Nebraska's economy each year.
- Twenty percent of all Nebraskans are employed in farm or farm-related jobs.
- Nebraska's farms and ranches utilize 45.7 million acres — 93% of the state's total land area.

We should all take pride in Nebraska agriculture!

National Ag Week
March 19-25, 2006
