National Agriculture Day

Did You Know?

- Nebraska agriculture contributes over \$11 billion to Nebraska's economy each year.
- Nebraska's five leading commodities are cattle and calves, corn, soybeans, hogs, and wheat.
- Nebraska's farms and ranches utilize 45.7 million acres — 93% of the state's total land area.

We should all take pride in Nebraska agriculture!

National Ag Week
March 18-24, 2007
