WEB SITE: www.beatricebakery.com

PRODUCTS: The Grandma's Fruit and Nut Cake is always the center of attention for us as it is our main product line - this cake contains only the best ingredients of cherries, raisins, pineapple, walnuts, pecans, and almonds with bourbon, rum, and brandy baked in with the batter. Grandma's Fruit and Nut Cake - offered in several sizes (6 oz. perfect for gift baskets, 1 lb. bar for family enjoyment, to the 2, 3, and 5 lb. rings for holiday gatherings and gift giving). Chocolate Fruit and Nut Cake - is the wonderful Grandma's with a rich ambrosia cocoa added to the batter for a chocolate lovers holiday treat - in 1 lb. bars and 2 lb. rings. No Sugar Added Fruit and Nut Cake - for health conscience, we offer a holiday cake that has no additional sugar added to the fruit (which has naturally occurring sugars). Plus, we have a Kosher certified fruit and nut cake, found in Ye Olde English brand - which has no alcohol in the batter. Another chocolate lover's favorite is our Chocolate Fruit and Nut Squares - which is a 1" slice of Grandma's enrobed in a rich milk chocolate - it's a special treat!

Other products we offer for year-round enjoyment - we have 11 flavors of Liqueur Cakes, from Chocolate Rum to Strawberry Daiquiri to Key Lime to Kailua Cafe! And because breakfast is the most important meal of the day we have added two new product lines: Breakfast Breads - offering two 14 oz. quick bread loaves - one as the traditional Banana Nut Bread and the Very Berry Bread, which has red and black raspberries and no nuts. Both are great to take camping or serve for Sunday brunch! The other breakfast item which is our newest product line and was introduced at the Fancy Food Show in Washington, DC, in July 2011 is a 14 oz. Apple Streusel and a Peach Streusel Coffee Cake, perfect to slice and serve for any day or occasion. We sell to wholesale accounts from Canada to Puerto Rico plus military bases worldwide. Our bakery is open year-round, so we invite you to stop and see us.
