

Nebraska Weed Control Association

Weed Control Activities

- ▶ Enforcement of the *Nebraska Noxious Weed Control Act, Title 25, Chapter 10*, providing the necessary authority to effectively control noxious weeds
- ▶ It is the duty of each person who owns or controls land to effectively control noxious weeds on such land
- ▶ Provide education to the public concerning noxious weeds
- ▶ Working with students to ensure future generations are aware of the impacts noxious weeds have in our ecosystem
- ▶ Work with Weed Management Area (WMA) partnerships controlling invasives
- ▶ Scouting for “NEW” invaders, protecting our environment
- ▶ Weed-Free Forage and Weed-Free Gravel Certification. To prevent the spread of noxious weeds
- ▶ Preserving the environment for future stewards of our land
